

Driver/General Operative

A Driver/General Operative is responsible for providing back-up support to the Service, Parts or Sales Department. Applicants interested in pursuing a career in valeting and working as a member of a Service team within a dealership or valeting company and must be over 16 years of age. Applicants must have a full driving licence and have a minimum requirement 5 Passes in Ordinary Papers at Junior Certificate level or equivalent qualifications or relevant valeting experience.

The primary tasks of a Driver/General Operative will vary from company to company but may be as follows:

- Maintain dealership premises internally and externally.
- Provide support for valeting, service, parts and sales departments as requested.
- Undertake basic pre-delivery work on new and used Vehicles.
- Undertake deliveries.
- Provide transport for customers.
- Other duties as may be prescribed from time to time.

The General Operative will report to the Workshop Manager or Service Manager.
